### Mothers' Way.

Oft within our little cottage, As the shadows gently fall, While the sun-light touches softly One sweet face upon the wall,

Do we getner close together, And in hushed and tender tone, Ask each other's fail forgiveness For the wrong that each has done, should you wonder at this custom At the ending of the day, Eve and voice would quickly answer

"It was once our mother's way." If our home be bright and cheery, If it hold a welcome true, Opening wide its door of greeting To the many-not the few ; If we share our father's bounty With the needy, day by day, The because our hearts remember

This was ever mother's way. dometimes when our hearts gaow weary Or our our task seems very long ; When our burdens look too heavy, And we deem the right all wrong Then we gain a-new fresh courage As we rise to proudly say ; Let us do our duty bravely.

This was our loved mother's way." Thus we keep her memory precious. While we never cease to pray, That at last when lengthening shadows. Mark the evening of life's day, They may find us waiting calmly To go home dear mother's way.

### The Prince of Peace.

Death sent his messengers before, "Our master comes space," they cried, Ere night he will be at thy door, To claim thy darling from thy side. I drove them forth with curses fell : I drove them forth with jeer and -off : Not all the powers of heaven or he Combined, should bear my dart as if

I armed me madly for the aght ; My gates I bolted, barred and soc and ; At sunset came a sable knight, Dismounted at my doors, and knocked I answered not, he knocked again ; 1 braved him sole, I braved his band; He knocked once more ; in vain, in vain My barriers crumbled 'neath his hand.

I rushed into the breach : I stood, Dazed with the flood of ebbing light; "A victory over senseless wood Adds scanty glory to thy might ! A stronger champion guards these walls-A human love a living heart ; And while each earthly bulwark falls, It stays thee, awful as thou art ?"

My sabre shivered on his mail, My lance dropped headless at his feet ; I saw my darling's cheek grow pale, I saw her turn my foe to meet. He passed—my lips alone could move ; Mad words of passion forth I hurled ; They lied who said that God was love. Who lets a tyrant rule the world."

He gathered her to his embrace, While yet I raved in my despair He raised his vizor from his face, I looked, and saw an angel there. Such conquering love, such mercy rare, Such heavenly pity in his eyes. As surely love divine might wear,

When he assumed our mortal guize He bent above her dear damb lips-Mine own whom I had loved too well-An I struggling from life's last eclipse. Shey smiled in peace ineffable. Awe-struck I watched, he raised his head. And then, in tones like Summer's breath, . . am I a thing so vile," he said, "I, whom yo me's call shuddering death?" And sword and targe aside I flung,

Forgotten wrath, and loss, and pride . To his departing feet I clung. "And me too, take me too," I cried ; . Without her, all is blank and black, With her, and thee so fair-me too," The solemn voice came ringing back, " Not yet, for thee is work to do.'.

The sunset sank from rose to grey, His accents died away with it, And from my soul, as from the day, The glow and glory seemed to flit I knelt alone, yet not alone, Deoth's angel left me hope at length

And 'mid my stronghold's shattered strength, Through tasks fulfilled to reach mine own. -All the Year Round.

## Miscellaneous Items-

Lately an Ohio man on his travels found a shell on the Gettysburg battle-field. He took it home and put it in the stove to see if it was real. It was genuine. But the stove is the most glaring imitation ever looked at.

It was at a party. Miss Angelina had been persuaded to preside at the piano.
"There," said Seraphina, as Angelina took up a piece of music. "She has taken a tune from the rack, and now she will put us all on it."

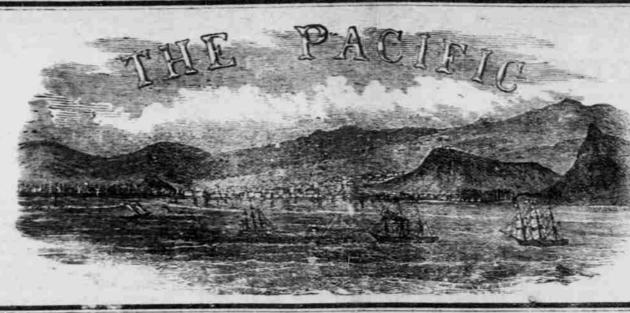

"If I was a sheep, Pat," said a farmer to his man, as he observed the sheep lying in a shaded position. " I would lie on the other side of the fence, where it is warmer.' "Troth, thin," was the reply, " if ye had been a shape ye would have had more sinse than ye have now."

"Moshes," said Mrs. Schaumburg to her "Moshes," said Mrs. Schaumburg to her husband, a second-hand clother. "vat you says dat we 'gif a barty next week?" Mose says dat we 'gif a barty next week?" A famous surgeon advises one of his patients to undergo an operation. "Is it very severe?" askod the patient. ' Not for the patient," says the doctor; "we put him to sleep; but very hard on the operator." "How so?" . We suffer terribly from anxiety. Just think, it only succeeds once in a hundred times."
